the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office of National Statistics 2000). The number of people aged 65 and over is projected to increase by 2.5 million by 2020 (Office of National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (1999) has identified the need to develop a 'new paradigm' for the care of the elderly. This paradigm is based on the principle of 'active ageing', which is the process of maintaining and enhancing the ability of older people to live independently and to participate in the community. The Department of Health (1999) has identified a number of key areas for action in order to achieve this paradigm, including: (1) promoting the health and well-being of older people; (2) ensuring that older people have access to the services and resources they need; and (3) ensuring that older people are able to participate in the community.

The Department of Health (1999) has also identified a number of key areas for action in order to achieve this paradigm, including: (1) promoting the health and well-being of older people; (2) ensuring that older people have access to the services and resources they need; and (3) ensuring that older people are able to participate in the community. Delta
is the
Greek
mathematical
symbol for
change, an impor-
tant part of our lives.

When we think back on
our past years, especially
here at Andrean, a surprising
fact arises. We have changed. Our
parents seem to have shrunk; places
and objects seem, not insignificant, but
smaller. Changes, however, are not always
pleasant. Many times people do their best to
halt change, but change is inevitable. As you read
these pages and look at these pictures, reflect upon
the changes in yourself, your family, your friends, and
your world.

Andean

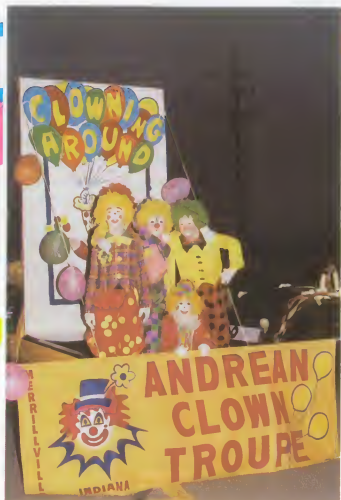

Remember freshman year and the monsters that were seniors? It seemed impossible that we could remember all those room numbers. And the schedule — All those rotating periods and hours and lunches! But we survived. Room locations, if not numbers, were recognized. And the all-important locker combination became second nature.

Sophomore year — no longer were we the lowly freshmen, trampled and forgotten. Then we were tenth graders. We could start trampling. Seniors were no longer such imposing figures. We could walk the halls without fear.

Now we are juniors! College starts becoming more important as letters from obscure colleges we never knew existed begin flowing in. The infamous S.A.T. looms before us, but we take it all with the composure and grace juniors are famous for.

Senior year comes at last. We are upperclassmen. Freshmen tremble in fear at our sight, and teachers treat us with the respect we've earned.

Girl Golfers Capture Sectional

The girls' golf team, finishing with an 8-5 record, completed one of its best seasons. Led by

MVP Sarah Gagan and senior Kobjit Waranimman, the team overcame a 1-4 record with a win over state-ranked Rensselaer.

The Niner squad capped its season by capturing the Valparaiso sectional for the first time in the team's history. Coach Pishkur praised his team's strong finish. "Although we started off with a 1-4 record, the team improved with every match they played. The sectional win was the culmination of an outstanding season."

The Andean girls' cross country team finished the year with no record. This dedicated group of girls didn't have enough members to compete in meets as a team. They competed as a club in these meets. Said junior member Frances McMahon, "We all really love running. That's why we do what we do." The team was led by freshman MVP Michelle Penn, who placed eleventh at Sectionals. Awarded the Most Improved Runner Award was Tricia VanSlyke. Coach Ralph Iatarola commented on the season saying, "I felt all the girls improved during the course of the year."

Gridiron Greats

The JV football team completed its season with a record of 3-4. Mark Wagner received the Hardest Hitter award. Despite their losing record, Coach Janke stated, "Although we had a slow start, we made a big comeback toward the season's end."

During the course of the 86-87 season, the freshman football team, under the guidance of Coaches Bixeman and Kocal, finished with a disappointing record of 0-10. The team, however, showed a bit of heart and did not give up. They finished the season with a heart-breaking loss to Gary Wirt in the closing seconds of the game. The season was characterized by many excellent individual efforts. Joe Doyle captured the Big Hitter award, Mike Sur had the Best Attitude, and Greg Schutz was Most Valuable.

Varsity Football

Varsity Team Achieves 7-3 Record and State Ranking.

The Andean varsity football team finished a successful season with seven wins and three losses. The team had impressive victories over Bishop Noll and Chesterton which propelled them to the ranking of thirteenth in the state. Double practice sessions began in early August as the team drilled repeatedly for the upcoming year. This conditioning paid off in the opening game upset of Bishop Noll. The team was led by MVP Matt Prusiecki and award winners Dave Owen, John Lustina, Kevin Palansky, Mike Oluvic, and Mitch Sidor. The team's three losses were suffered at the hands of Merrillville and Hobart, once during the regular season and the last time in Sectionals. Head coach Ivan Zimmer commented on the season saying, "This team had a lot of desire, and it showed in the way they played."

Volleyball

Niner Spikers Upset Highly Ranked Marion

The 1986 volleyball season was considered a success on all levels.

The freshman and J.V. teams, although not having great records, felt as though they improved. They concentrated on fundamentals and feel that this will help them be better players in the future.

Under the leadership of their new coach, the Varsity team felt as though the season was successful. The high point of the season for this 9-7 club came when they defeated Marion, a highly-ranked team from Illinois. Commented Bridget Blake on this victory, "It was the most satisfying win of the season. It was very exciting to have beaten such a highly-ranked team."

Acquanetta was also named to the *Gary Post Tribune's* all-area team as well as the first all-sectional team. Other players who received honors included Mary Mihalik, winner of the Best Team Player Award, and Kris Katich winner of the Pride, Hustle, and Desire Award. Coach Bombassaro commented, "Our 9-7 record doesn't tell the whole story. We have six promising sophomores and two juniors returning, so watch out!"

Young Andrean Teams Boast Winning Records

All three of Andrean's young basketball teams finished with records over .500. The JV team finished its season with a 15-5 record. Led by MVP

Sam Bennett and Most Improved Player Jamie Smith, the team was impressive in outings against Crown Point, Merrillville, and Bishop Noll. "Effort was the word that described every player on this team," said starting center Rob Freese.

The freshman A-team defeated both Hammond

Clark and Harrison on its way to a third-place trophy in the annual Holiday Tournament and a 10-8 record. Quentin Peterson received the MVP award for this freshman A-team and David Walters was MIP. The freshman B-team was led by Most Valuable Player Tim Swan to a 6-5 season.

Boys' Varsity Basketball

Varsity Cagers Reach Eleventh in State

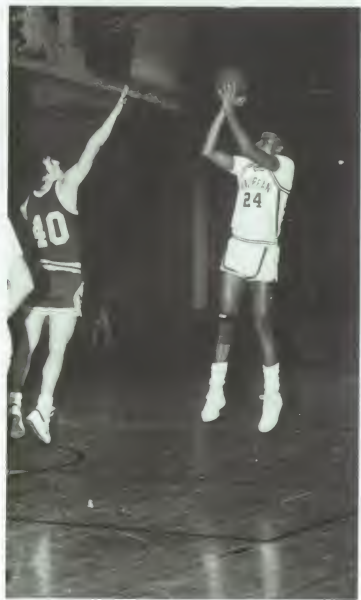

Coach Joe Huber's final season as Andean's head coach was characterized by the effort all the players exhibited. The Niners compiled an 18-4 record, the best since 1981. The season started out with a bang as the Niners defeated Gary Roosevelt 44-42 in front of a huge home crowd that spilled out onto the court in celebration. After a loss to Gary Wirt the team went on a tear, winning ten games in a row. During this streak the Niners rose to the state ranking of eleventh.

Despite a disappointing loss in the sectional championship game, the season was one of the most successful in recent years as Andean faced five teams ranked in the top twenty and defeated all but one of them. The team was led by Most Valuable Player Wayne Conley and Most Improved Player John Muratori.

Grapplers Endure Rebuilding Season

During the 86-87 season the Andean wrestling squad compiled a 5 and 12 record under the guidance of Coach Ralph Iatrola. The team made impressive showings while handily defeating Lew Wallace and Hanover.

The season was also characterized by many outstanding individual efforts. Seniors Joe Zuniga and Tom Williford, junior Jim Allegretti, and sophomore Paul Morales distinguished themselves by advancing to the regionals. Coach Iatrola commented, "The team's record did not represent the individual talent we possessed. We had a good season, but we'll be even better next year."

Pete McCobb received the dedication award; Paul Morales was chosen Most Improved Varsity and Eric Christe, Most Improved JV. Tom Williford was Most Valuable.

Kulsakdinun Swings Way to Regionals

In what Coach John Szot called a "comeback season," the boys' golf team went an impressive 11-8. Under the leadership of Most Valuable

Player Pamorn Kulsakdinun, whose 87 at sectionals earned him a regional berth, the team showed vast improvement. Pamorn said of his success, "I did well but my success can be attributed to my hard work and dedication to golf and Andean High School." According to Rick Valenzuela, one of the team's three seniors, the team was "a group of really good players and if we had gotten together we could have gone down state." The JV team finished 5-5 led by Joe Stern. Commented Coach Szot, "while not an outstanding season, it was a solid one, and we beat many outstanding teams in the area."

Girls' Tennis

Team Wins First Sectionals

The 1987 girls' tennis team completed the best season in its history. Under the tutelage of Coach Klora, the team captured the Highland sectional crown with impressive wins over Highland, Merrillville, and Lake Station. At regionals the team lost a close match to Portage by a score of 3-2. A big moment for the team was a 3-2 victory over perennial foe, Merrillville. Sophomore Jackie Moran, the team's number one singles player, took the Most Valuable Player award. Other standouts included the senior-freshman combination of Kim Kozlowski and Shelley Wylie, who dropped only two matches during the season. Number one doubles players Molly Reed and Lynn Compton compiled a 16-4 record and aided efforts in sectionals by sweeping all of their matches. Third year varsity veteran Michelle Jao and second year veteran Greta Doumanian rounded out the successful squad.

Girls' Track

State Qualifier

The success of the 1987 girls' track team was due in part to the strong individual performances of several members. Juniors, Laura Kaufman and Tricia VanSlyke, led the team with the help of seniors, Maureen Murawski and Vicki Rowland. Laura Kaufman, the MVP for field events, set the school record for shot put three times while winning sectionals, regionals, and taking a solid ninth place at the state track and field meet. Tricia VanSlyke took fifth in sectionals, just missing a regional berth. She was awarded MVP for running events. Bright points of the sophomore class include Debbie VanSlyke, Jennifer Mathis, and Jessica Renwald. Promising freshmen include Michelle Penn, Barb Larson, Zandra Mukes, Amy Reynolds, Steph Hanlon, and Geri Tucker, the Most Improved team member.

Individuals Shine Two to Regionals

Despite a 4-5 record, the members of the boys' track team posted some outstanding individual performances. At the Lowell Invitational several team members broke longstanding meet records. Juniors Matt Hanlon and Rob Freese broke the Invitational's high jump record with a combined jump of 12'2". Also, senior Dave Owen and junior Mike Noble combined forces to break the record in the shot put relay with an impressive 94'6" throw. Under Coach Pete Billick's guidance, 18 members of the team qualified for sectionals. Two members, Rob Freese in high jump and Joel Gross in pole vault, advanced to regionals. Team awards went to Joel Gross, Most Improved in Field Events; Dave Owen, Most Valuable in Field Events; Marvin Jones, Most Improved Runner; Paul Simatovich, Most Valuable Runner; Matt Prusiecki, Most Valuable Team Member.

Lady Sluggers End Season on an Upswing

The Andean girls' softball team finished the 1987 season with a record of 9-13 under the guidance of coaches Doug Anderson and Denny Martin.

The season was highlighted by two comeback victories over Valparaiso and Hammond Gavitt. In the Gavitt game Niners were down 13-6 going into the sixth inning but ended up winning 15-13, thanks in part to Heather Rakoczy who had 7 RBI's, including a grand slam.

Other offensive power came from Jennifer Martin, who smashed an out-of-the-park homerun against Bishop Noll. The team's most impressive victory, however, came against the favored Valpo team in the opening sectional game. Going into the seventh inning it appeared as if the underdog Niners were going to fall to the Vikings, but the team pulled out a last inning victory to advance to the sectional championship.

The Lady Niners lost in the championship game to Chesterton in a hard-fought game. "This year's team showed a lot of promise and exhibited much maturity for such a young squad; I expect we will be contenders next year," commented Coach Anderson.

Pitcher/shortstop Heather Rakoczy was named MVP, second baseman Christina Espinoza received Rookie of the Year, and first baseman Beth Flesher was Best Defensive Player.

Kickers achieve 9-3-2 mark Andrean ties Portage

The Andrean soccer team finished its season with a 9-3-2 record. A highlight of the season was a tie with perennially powerful Portage.

Led by Co-MVP's Mike Parish and Pete Sanchez and Best Team Player John Olivieri, the Niners continued their success of recent years. One reason for these achievements is four-year varsity starter Tim Sullivan. Tim commented, "Our hard work paid off on the field. We are proud that we could continue to bring home victories and keep Andrean's name a feared one in area soccer." The team was led by Coaches Bob Sanchez and Kevin Storey.

Baseball

Niner Nine Finishes

Andrean's baseball team continued its recent winning tradition by posting a 21-8 record, making it the third time in as many years that the team had won twenty or more games. Despite a disappointing showing in sectionals, the team had many bright spots during the regular season. Steve

Mostello turned in the best performance by a pitcher in the game against Chicago Washington, a ranked team in Illinois. The Niners won 8-0 as

Mostello hurled a no-hitter. Other high points in the season were victories over Marion Catholic, 9-7, and Munster, 2-1. It was the first time that Andrean's baseball team has beaten either team.

The team was led by MVP's Pat Morley and Pete Rogovich, Pride, Hustle, and Desire award winner Scott Attar, Best Pitcher Steve Mostello, Rookie of the Year Sam Bennett, and Golden Glove winner Pete Rogovich.

Cheerleading

Esprit de Corps

Few people realize just how rigorous cheerleading can be. Andean's squads work very hard at developing their skills and preparing routines to rouse school spirit. Squad members practice throughout the summer to prepare for the stiff competition they face yearly at the United States Cheerleading Association camps. The '86-'87 squad placed first in the team division, and three individuals won awards for outstanding performances. Dawn LoVerde and Missy Rohrer placed among the camp's top ten. Jackie Brody, team captain, placed first in competition. Miss Kathy Olivotto is moderator of the squad.

Thank you, Andean High School students, for participating in the many Optimist Club projects over the years. Best of luck for the future!

Optimist Club of Merrillville

Founded in 1960, the Optimist Club of Merrillville is a service organization committed to serving the youth in the community. Its primary function is to be a friend of the young people. Annually, it sponsors a wide range of activities for boys and girls. Among them are:

Essay Contest
Tri-Star Basketball Program
Oratorical Contest
Respect for Law
Bicycle Safety
Ross Summer Theater
Youth Appreciation Week

In addition, the Optimist Club of Merrillville supports timely projects that have a bearing on youth. The "Just Say No" drug education program and a "Discipline Literacy" program for parents are examples of civic concern and consciousness of the Optimist Club of Merrillville.

The Optimist Club clubhouse is located at 3339 E. 74th Avenue. It is available for rental for meetings, banquets, church-sponsored activities, showers, graduation parties and various kinds of youth activities. For reservations, call 942-4367.

Individuals interested in joining the Optimist Club of Merrillville and serving the community's youth should contact any Optimist Club member or call 942-4367.

BE AN OPTIMIST AND BE SOMEBODY!
